Dear St. Jude Parents and Student/Athletes:

Attached are the required forms for registration in the St. Jude Parish athletic program for the school year 2020-2021. These forms include a registration form, a health form, and a volunteer form. The interscholastic program is offered to students in grades 5 through 8, in the areas of flag football, girls' and coed volleyball, and boys' and girls' basketball. All students are welcome and encouraged to participate, regardless of ability or previous experience. The instructional program is offered to boys and girls in basketball (grades 1 through 4).

It is very important to register now for the next school year. The number of participants determines team sizes, and, therefore, coaching and equipment needs. If your child thinks he/she may be interested in participating, you should sign up now.

Our various sports seasons run as follows:

- Girls' volleyball, flag football: mid-August - late October
- Basketball: late October to end of February
- Coed volleyball: early March to early May

This schedule includes about three weeks of practice prior to the beginning of games and tournaments.

Payments will be accepted at any time prior to the beginning of the school year. A full payment will be required to get a uniform. If a payment is made and a student does not participate in a sport, a refund will be provided for that sport and the family fee, if applicable. More information on payment plans will be available by Meet the Teacher Day in August.

Please complete the three attached forms, and return them to the school office as soon as possible.

Sincerely,

St. Jude Athletics

Dear St. Jude Parents:

Our athletic program depends heavily upon the efforts of our volunteers to help provide a quality experience for the students of St. Jude. During the upcoming year, we will need coaches, athletic board members, scorekeepers, timekeepers, and volunteers to run our concessions stand and admission tables. We also need help with our fundraising efforts (including tournaments). It is very important that at least one adult from each sports family do their share. As in the past, **you will be required to assist** in the operation of our program in some way. In 2020-2021, each family with a student in grades 5-8 will be required to contribute 8 hours of service, while those having only students in grades 1-4 will be required to contribute 4 hours.

I would like to briefly describe the various opportunities for volunteers within our sports programs. Please select the area(s) of interest for you, complete the form on the next page, and return it to the school office, along with your child's sports registration for next year.

Perhaps the most rewarding volunteer experiences available are in coaching. We are always searching for volunteers to coach flag football, girls' and coed volleyball, and basketball. We need a head coach and at least one assistant coach per team. We will provide any necessary training to prospective coaches who are a little unsure of themselves, so please do not be shy.

Another rewarding experience awaits those who volunteer to be a part of our Athletic Board. The Athletic Board meets as a group once a month. Its primary function is to provide leadership and organizational skills in conducting tournaments, banquets, home games, or other special events, in accordance with each member's abilities and availability. If you are interested in a place on the Athletic Board please indicate on the volunteer form.

In addition to these long-term responsibilities described above, there is always a need for assistance at various single-day functions. These include: operating the concession stand, admission table, or scorer's table at home games and tournaments, and other functions. These do not require an ongoing commitment, but any assistance you can provide in any of these areas would be greatly appreciated.

Thank you for your support of St. Jude sports in the coming school year.

Sincerely,

St. Jude Athletics
